

Immunization Costing Action Network (ICAN)

Immunization Costing Evidence into Policy and Practice

April 24 - 26, 2019

WORKSHOP OBJECTIVES

The aim of the workshop is to bring together country and global experts in immunization, health systems, costing, and financing to interpret the results of the Immunization Costing Action Network (ICAN) costing studies and plan for communication and dissemination.

The specific objectives of the workshop are to:

1. Discuss the analysis and interpret the results of the country immunization delivery costing studies;
2. Develop draft “evidence into policy and practice” action plans to facilitate use of the results in country planning and budgeting, program management, and policymaking;
3. Discuss best practices in presentation and communication; and
4. Document lessons learned on the research and evidence to policy and practice activities for the development of a joint ICAN knowledge product.
